

Bridging to Juniors

This is what the average troop does as far as who pays for what. You can choose to do as you wish. Since you are bridging soon, I highly suggest you encourage your parent to renew for next Girl Scout year before you have your bridging.

UNIFORMS: Usually parent pays, but the troop decides on which sash or vest.

Vest \$25.00 (see below for sizing)

Sash \$10.50

Insignia Tab \$4.00

Flag \$2.75

Council ID \$7.00

Numbers \$1.95 each

Crest \$2.50 (If your troop already voted on one. Crests do no change from level to level)

TROOP PAYS FOR

Star \$1.75

Brownie Disc \$2.75 (package of 24)

Membership Pin \$3.00/\$3.50 (traditional or new trefoil design)

Bridge to Junior \$3.00

Brownie Fly Up Wings \$2.00

OPTIONAL but highly suggested for each girl:

Handbook \$9.00

Badge Magic \$8.50

This makes putting badges/patches on much easier.

Backpack \$5.00

Many leaders gave them as bridging gifts to the girls. It's great for the girls to keep all their Girl Scout items together in one place.

The only items that move from the Brownie vest to the Junior vest is the following:

World Pin (if given)

All stars

Summit Award (earned for completing three journeys on a single level)

110th Anniversary Pin GSUSA

100th Anniversary Pin GSNC

100th Anniversary Cookie Pin

VEST SIZING: Junior vests are not cut the same as Brownie vests. With the sizing below, you do not need to size up for growth or to fit over a jacket. We have done that work for you. This vest is worn for 4th and 5th grade.

Medium fits a girl currently wearing a size 5-6 shirt

Large fits a girl currently wearing a size 7-8 shirt

X-Large fits a girl currently wearing a size 10-12-14

2X fits a girl currently wearing a size 16 or larger

Plus sizes available for in-between sizing
